PARENT SURVEY RESULTS

Extracurricular Activities

We asked some questions about the extracurricular activities offered here at LCS. The majority of families reported that they believe LCS offers a fair number of quality activities. But, we also heard that you were looking to expand and add new ones as well. This year we are happy to report that in addition to our usual activities, we have added the following:

- ➡ The Lamoine Press (a new school newspaper)
- ➡ Drama Club
- ➡ Tech Team
- ➡ Cross Country

Communication

We also asked you where you get most of your information about LCS. Many, many families reported that they find the weekly newsletters very helpful. That is good to know! Many people also reported that they found the website hard to navigate. Tim Hilton, our technology director worked hard over the summer to make some changes we hope you will find helpful.

Important Reminders
